MEMORANDUM

TO: The Boston Redevelopment Authority
FROM: Hale Champion, Development Administrator
SUBJECT: Personnel Actions - Roxbury Work Study Program
Changes to Personnel Action #6 - June 6 and June 13, 1968

Changes to Personnel Action #6 - June 6 and June 13, 1968, for subject program are submitted. These corrections are necessary to effect replacements for Program participants who failed to appear according to the terms and conditions of their appointments.

Attachment I - Personnel - #6 - June 13, 1968

Roxbury Work Study Program Staff - June 17 through August 16, 1968 (9 weeks)
Bus Drivers

insert

Bus Driver	\$200	* Michael J. Reilly, Stonchill Seminary, North Easton, Massachusetts
Bus Driver	\$200	* Joseph E. Howard, Jr., 12 Pinchurst Street, Trumbull, Connecticut
Bus Driver	\$200	* Christopher Shaw, 15 Conant Road, Weston, Massachusetts

* According to Massachusetts law, bus drivers must be twenty-one years of age. No participants in the Roxbury Work Study Program who live in Roxbury or Boston are twenty-one years old. This is, in part, explained by the success of the Positive Program for Boston, under the auspices of the NAACP, which opened up at least fifty training-managerial positions in private industry for Negroes; these positions are directed to juniors and seniors in college, thus drawing the most qualified and responsible students who are over twenty-one. The responsibility of the position of "Bus Driver" in the Program is such that qualified students, regardless of address, should be selected.
